Dear Ms. Dennis,

I write this letter as a candidate for United States Congress in the 13th congressional district in the state of New York, for the primary held in June of 2016. Unfortunately, my campaign did not prevail. However, please know that there has never been any intent to skirt or avoid any laws or regulations.

The campaign, I believe was managed with integrity and a clear respect for the rule of law. Our campaign has found itself in arrears of approximately \$111,000. In that I no longer hold public office, the raising of money has proven to be especially difficult. I would love to consult with your office, in order to figure out a plan for satisfaction of your requirements. In addition, most, if not all of my creditors seem to have forgiven whatever debts are owed.

I look forward to working with your office in order to satisfy your requirements. Thank you for your anticipated cooperation as this matter.

Respectfully

Keith L T Wright
