Hi Christal,

I would like to request a 15-Day extension to respond to Tea Party Majority Fund's AR 17-07R. The FEC letter dated November 17, 2017 and received November 22nd would have a due date of December 7th. If the extension is approved, my response due date would become December 22nd.

Please let me know if this communication is acceptable to request that extension, if not please let me know what is required. Thank you.
