**RE: MUR 7552** 

Dear Ms. Ross,

In response to your December 4, 2018 letter, Scholten4Iowa Campaign Committee (the "Committee") denies any and all wrongdoing as alleged in MUR 7552 (the "Complaint"). The Committee did not have any discussion with MAP, Inc. regarding the print advertisement titled "Not everyone in Sioux County votes for Steve King" (the "Advertisement"), let alone suggest that MAP, Inc. place the advertisement for public distribution. Regardless of how MAP, Inc. came to obtain the print graphic and run the Advertisement, the Committee denies the accusations as alleged in the Complaint that there was any communication, request or suggestion by the Committee to MAP, Inc. to run the advertisement.

Sincerely,

Scott M. Hubay, Esq., Treasurer

Scholten4Iowa Campaign Committee
