RE: Complaint letter notarization correction

Dear Ms. DeBeau:

Enclosed is newly notarized copy of my original complaint letter per your request.

Since filing my federal campaign finance law violation complaint, I have acquired some further potentially pertinent information regarding this alleged violation.

I've been told the campaign literature was printed at and mailed from a business doing business as Upscale Mail located at 2600 Seltice Way Suite A, Post Falls, ID 83854. At the November 27, 2018 meeting of the Kootenai County Republican Central Committee, Brent Regan, the committee's chairman claimed to have identified the parties involved in the ordering and mailing of the campaign literature in question. Also, Legislative District chairman, Tim Kastning of the same political party committee, may have knowledge of the party or the parties involved in this alleged federal campaign finance law violation. If needed, I can provide you contact information for Mr. Regan and Mr. Kastning. I also have a recording that might be helpful to you in an investigation of this complaint. I can email the file to you.

Thank you for your time and consideration. If you have any questions I can be contacted at

Sincerely;

Dear Counselor:

I am writing to voice concern for a potential campaign finance law violation. This violation took place in Kootenai County Idaho where campaign literature was mailed out to voters which listed Russ Fulcher as a candidate in a federal election race.

To further explain:

Immediately prior to the General Election in November 2018, electioneering literature (mailing permit: Post Falls, Idaho, permit #74, possible work order number T00286) was mailed anonymously in Kootenai County (copy of the literature is enclosed). This literature promotes local, state and federal candidates. The mailer only identifies the sender as "your conservative Republican Precinct Committeeman". This claim is fraudulent. At a minimum, this piece was mailed to homes in Precinct 2 in Kootenai County, the Precinct where I am the committeeman. I neither created nor mailed this literature.

I have been informed literature mailed out anonymously without any identifying information detailing how the literature was financed is both a direct violation of Campaign Finance Law under Idaho Code 67-6614 and 67-6614A, as well as, under federal campaign finance law.

With this said, I am reporting this alleged campaign finance law violation in part to protect my reputation, to ensure integrity in electioneering and to avoid any possible cover up.

Thank you for your time and consideration.
