MUR # 7659

October 28th, 2019

To who it may concern:

As a citizen and registered voter residing in Texas' Congressional District 14, I hereby bring this complaint forward pursuant to U.S.C. §30120(a); 110.11(a)(1) against Joshua Foxworth.

On October 24th, 2019 campaign material was placed on our front door mentioning Foxworth, that he was campaigning for a Congressional seat. While the printed matter contained campaign information, it does not disclose who is paying for, or funding for the printed material. (image attached).

Upon visiting the candidate's website, there was not a disclaimer or disclosure visible for who paid for, or who was funding the website (screen capture of landing page and donor information attached, dated 28 October 2019).

Upon checking F.E.C. candidate registrations, I saw that there was a candidate Joshua Foxworth JOSHUA FOXWORTH FOR CONGRESS HOUSEID: C00721639

F.E.C. rules state that Any public communication made by a political committee, even those that do not contain a solicitation or express advocacy, must include a disclaimer. 52 U.S.C. §30120(a); 110.11(a)(1).

WHY I AM RUNNING

I am a US Marine, an aerospace engineer, a tech entrepreneur, a Christian, and the father of two.

I refuse to accept the premise that nothing can be done about illegal immigration.

I refuse to accept the idea that discrimination against me and my children is acceptable.
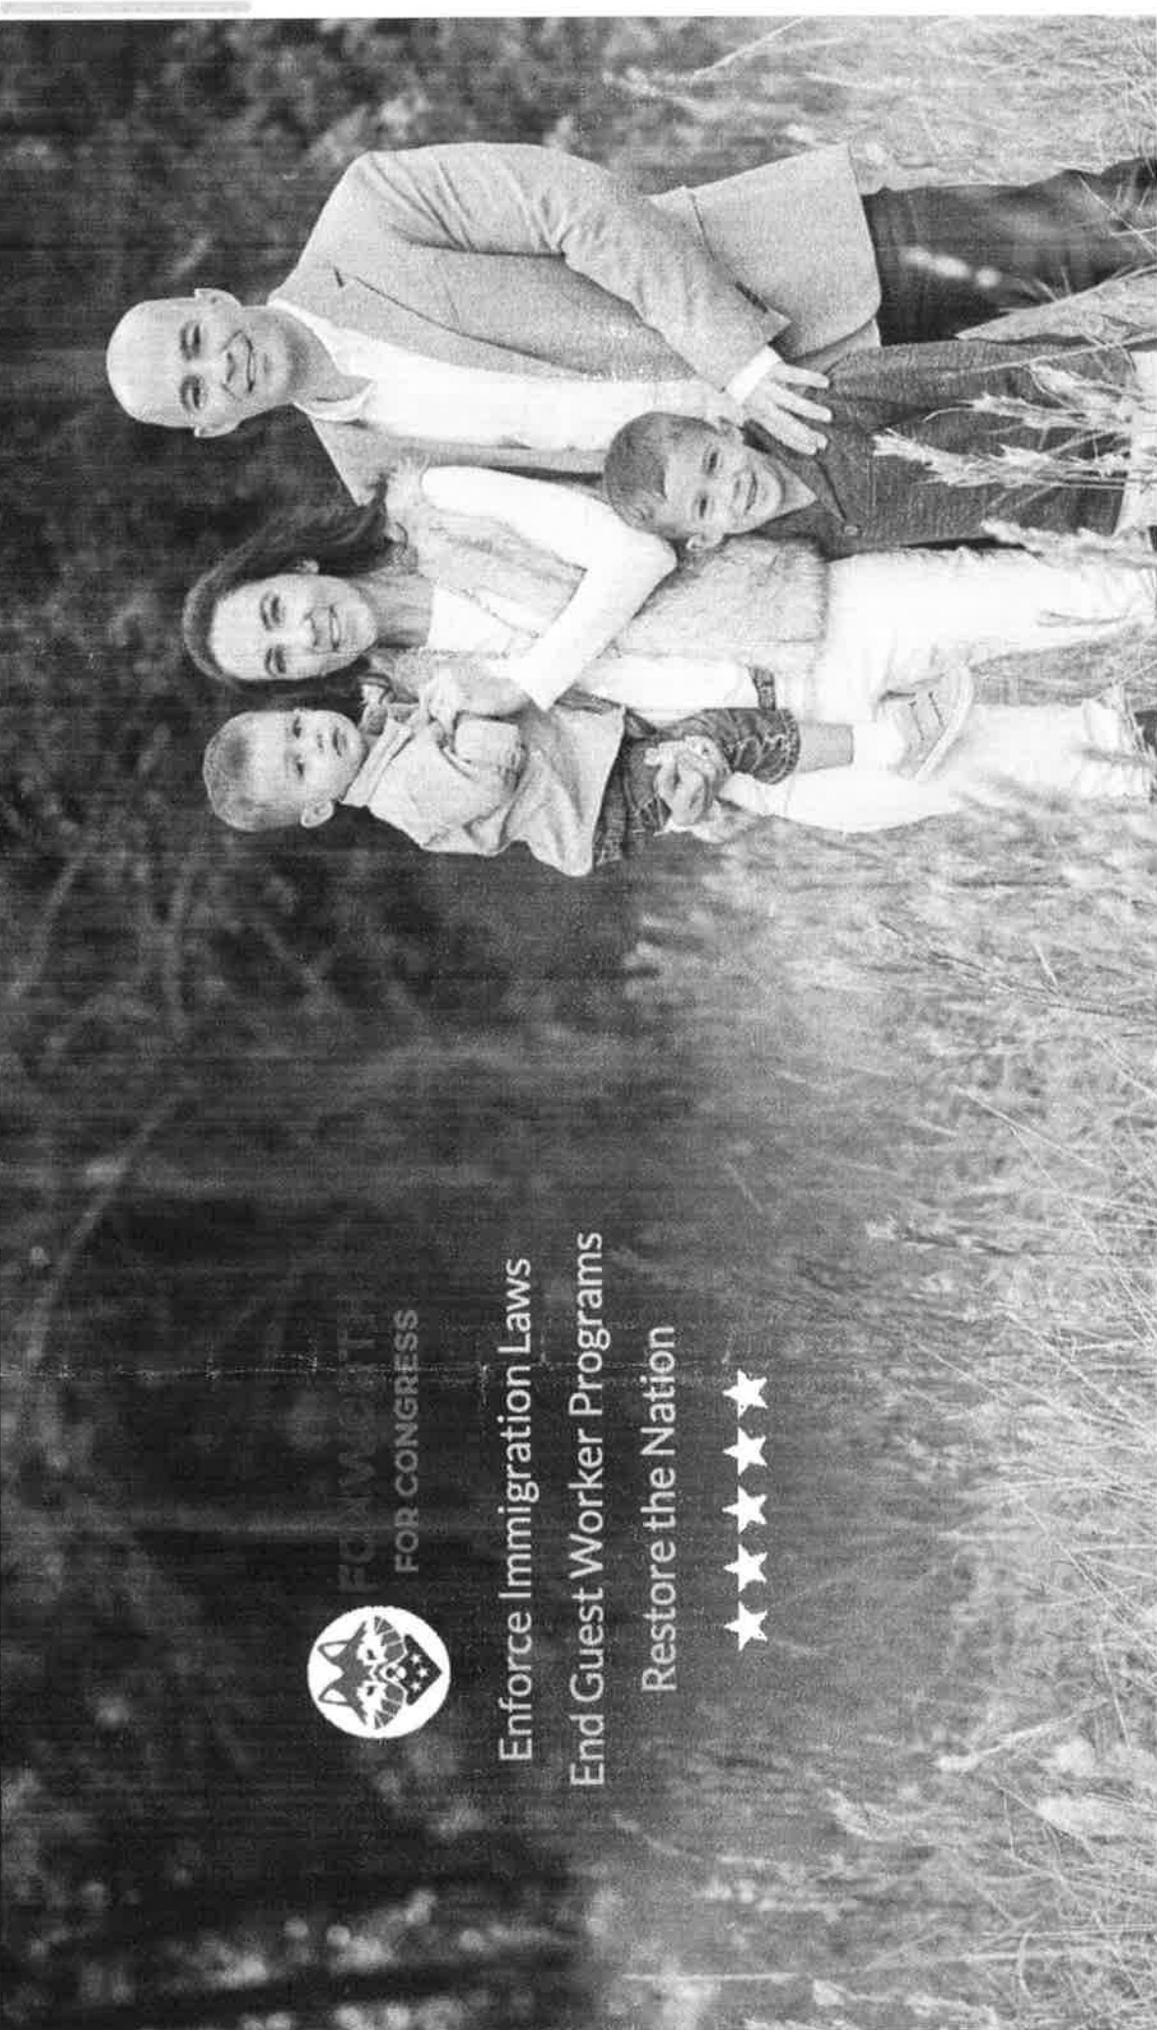

If elected in the Republican primary on March 3, I pledge that once in office I will demand the immediate and unconditional enforcement of US immigration laws as well an immediate end to the laws and policies collectively known as "affirmative action."

Follow me on Facebook and Twitter to show your support and so that you can see upcoming events and "meet the candidate" times.

Contact me personally at the email or Facebook page below and I will meet with you or with a group.

DONATIONS

I am currently not taking donations. I am black working and taking no money and will open up donations sometime in October. The best thing that you can do for the campaign is to follow me on Facebook and spread the word amongst your friends and family.

WHERE THE MONEY WILL GO

Congressional campaigns can be very expensive. It don't believe that they have [illegible] going to spend thousands of dollars and even with thousands more.

That being said, we spend money on campaign material. I myself am housing and food for volunteers and essentially radio ads. The amounts below are the bare cost of what it will actually cost [illegible]. Once we raise more than this amount, we will take on additional items. If enough money is raised, we will also start running commercials via method of advertising.

[illegible paragraph]

Item	Cost
Flyers, door hangers, handouts	$2,500
Yard signs and larger signs	$5,000
Mass Texts	$4,000
Targeted Facebook ads	$10,000+
Housing and food for volunteers	$2,000
